

Find out what WFCH parents are saying:

"Even though our son is really active, he did really well in the calm Montessori classroom and learned so much over the past year about words, numbers, countries, animals, music, and more..."

-Alumni WFCH Parent

"The staff, and students, are very diverse and friendly and the school really goes out of its way to listen to parents and also foster a welcoming environment, with events throughout the year like a fall family festival, holiday concerts, Mother's Day breakfasts, diversity night (concert and international potluck)."

-Alumni WFCH Parent

"I enrolled my two toddlers at WFCH late in the school year, and I couldn't be happier with my decision. My older child is soon transitioning into the Early Childhood program, and I've seen remarkable growth in both of them. Mrs. Carmen, my older son's teacher, took the time to understand him and prepared him well for the "Big Boy" classroom. As a teacher myself, I deeply appreciate educators who truly care about their students, and the teachers at WFCH exemplify that. They work hand-in-hand with parents to ensure every child's success."

"[I appreciate] their watchful eye over my daughter; the teacher's really caring for each and every student in the class as well as being attentive to their needs; potty training our daughter - invaluable success (thank you Ms. Carmen!)"
